YELLOW GARDEN SPIDER

HABITAT:
Continental U.S., Canada,
Southern North America

Sourced from [NWF Wildlife Guide](#)

The image shows a template for a wildlife card. It features a photograph of a yellow garden spider on a green background. The card is framed with a decorative orange and white pattern. Text on the card includes 'NATIONAL WILDLIFE WEEK', the NWF logo, the name of the spider, its habitat, and a source link. A dashed line indicates where to fold the card, and a scissors icon is at the top right corner.
